Would you like to advertise on-line now that the Shilo Stag is no longer a print edition?

Advertising on the Stag's new website is a great way to have your business or event in front of potential customers while they make plans to visit your establishment.

CFB Shilo is home to the First Regiment Royal Canadian Horse Artillery (1RCHA) and the Second Battalion Princess Patricia's Canadian Light Infantry (2PPCLI). The Base is also home to lodger units such as 3Cdn Div TC C Coy Det Shilo, 3CDSG Sig Sqn Det Shilo, and 11 CF Health Services Centre. The RCA Museum attracts military history enthusiasts from far and wide. In addition to the many Canadian Regular Force and Reserve soldiers who train at CFB Shilo, troops from several foreign countries, including Germany, France, Denmark and the United States, have trained here. Germany, in particular, trained more than 140,000 soldiers from 1974 to 2000 under the direction of the German Army Training Establishment Shilo (GATES). The training area of CFB Shilo covers almost 40,000 hectares, an area approximately 15 kilometres by 30 kilometres. It consists of a unique mix of open prairie, sand dunes and woodlands which, when combined with a wide range of seasonal temperatures, makes CFB Shilo one of the best training areas in the world. As the largest employer in southwestern Manitoba, CFB Shilo has a substantial economic impact on the regional economy, including the City of Brandon. With a population of about 1,400 military personnel and their families, the Base is completely autonomous with accommodations for more than 600 families and quarters for close to 400 single personnel.
